4th Down, 2 Yards to the Goal Line!

The Grand Knight's message:

This calendar year is coming to a close and shortly another will open. We have made many accomplishments this year and brought in several new members. I am encouraging our newest members to continue on their journey towards Knighthood and possibly consider continuing on to the Patriotic Degree. Keep in mind that although you may join the Patriotic Degree you do not have to join the Color Corps, but it is an honor to do so.

As one door closes another opens and that is what is happening now. We close out the year and begin planning for the next. During the Summer months such as July and August we have only one meeting which is held on the 3rd Wednesday of the month 7/18 and 8/15 of which there will be an officers

meeting on the Monday prior to the meeting 7/16 and 8/13. At this time we are planning our Family Picnic for August 19th. We encourage the Knights and their family to attend. There is no fee for this event and pool passes will be provided. I hope to see everyone there.

Atlantic City bus trip to Resorts Casino will be held on July 22nd and the fee is \$30. You receive \$25 back to use there at the casino. If the weather is good you can also hit the beach and enjoy a day in the sun.

Events are already in the works to plan out the calendar for the 2018-2019 year. As you know we are always busy, busy, busy and look forward to your assistance no matter how much time you may give. Remember the Church Family

Members of the St Rocco Knights of Columbus round table have been hard at work fixing up the old convent next to the church. Brother Reinaldo (in the picture) and Brother John G have almost finished one room stripping down the walls, pulling out the nails and staples and ripping down an old paneled wall.

Do you have a pet project that you have been thinking about? Now in the time to put your thoughts on paper and submit them to the Grand Knight. It could happen if you do the research and have a plan.

Are you a member of one of our round tables?

Please read this:

The goal of the round table is to assist your parish and become a Council of your own. The only way this will happen is by attending our meetings, learn how a Council functions and become more involved. This way, once you recruit more members to join your Round Table, you will be closer to becoming a functioning Council.
