GK's Message:

As the leaves change colors and the temperature begins to get colder, it's a quiet reminder that Thanksgiving is around the corner. It's a time of year that we are reminded of our first core principle as Catholics, charity. To love our neighbor as ourselves. I remember one of the most important activities we always took part in as children, was collecting food for the local pantries. It was an opportunity to help those less fortunate than myself and my family. This is an activity that I have been blessed to share with my boys. It gives them the opportunity to see how important it is to help those around them as well as to realize how thankful they should be for the gifts and abilities God has given them. Let this season be a reminder of the first degree we took to become Knights. There are many in need and less fortunate than we are. Get involved with the local food drives in your area, or come out to a meeting this month and drop off some non-perishable food items. Our next meetings are November 2nd and the 15th, come join us and help make a difference in our parish and community.

-:-

A reminder that the 4th Degree will be holding its annual Veterans Breakfast on

November 12th. Assistance will be needed in setting up, food distribution, and clean up. Please make every effort to assist and attend. Without the assistance of our membership, these events are not possible.

May God Bless You All!

Vivat Jesus!
