Dedicated to foster Vocations of Clergy & Religious Men and Women!

He is Risen! He is truly Risen!!!

GK's Message:

Vivat Jesus! He has Risen! A happy and blessed Easter to all of you. Christ's victory brings us a renewed sense of peace, hope, and joy. Our Lenten journey has concluded, but our mission continues. It is now time to move from prayerful reflection and to prayerful action. It would be easy to go back to our old routine, forget what we endured and learned about ourselves during our Lenten journey. I invite you to continue the journey, keep growing your faith, and take action for your faith.

I would like to thank all those brothers who helped make the fish fry and palm cross sale a success. You are the pillars of this council. I would like to remind everyone that the Parish Tricky Tray is coming up on April 20th. Tickets are available at the parish gift shop. Our council meetings are scheduled for Wednesday April 3rd and Wednesday April 17th. The April 3rd council meeting will be a Fraternal Benefits meeting.

Vivat Jesus!!!

Some thoughts from Chancellor Peter Furka

As a co-worker of the Sisters-of-life I was asked to make a food donation pick up at Goya Foods in Jersey City.

The very generous Goya Foods company filled up my Jeep Grand Cherokee with over 800 pounds of foodstuff worth +\$2000.

I then drove the load to NYC where the Sisters have a community location at Mother Elizabeth Ann Seton Church downtown.

The Sisters also extended their appreciation for the on-going financial gifts that our K of C council 12769 have shared in support of all the life-enhancing efforts the Sisters of Life provide.

The Donkey in the Well!

One day a farmer's donkey fell down into a well. The animal cried piteously for hours

as the farmer tried to figure out what to do. Finally, he decided the animal was old, and the well needed to be covered up anyway; it just wasn't worth it to retrieve the donkey.

He invited all his neighbors to come over and help him. They all grabbed a shovel and began to shovel dirt into the well. At first, the donkey realized what was happening and cried horribly. Then, to everyone's amazement he quieted down. A few shovel loads later, the farmer finally looked down the well. He was astonished at what he saw. With each shovel of dirt that hit his back, the donkey was doing something amazing. He would shake it off and take a step up.

As the farmer's neighbors continued to shovel dirt on top of the animal, he would shake it off and take a step up. Pretty soon, everyone was amazed as the donkey stepped up over the edge of the well and happily trotted off!

MORAL :

Life is going to shovel dirt on you, all kinds of dirt. The trick to getting out of the well is to shake it off and take a step up. Each of our troubles is a stepping stone. We can get out of the deepest wells just by not stopping, never giving up! Shake it off and take a step up.

Remember the five simple rules to be happy:

1. Free your heart from hatred - Forgive.
2. Free your mind from worries - Most never happens.
3. Live simply and appreciate what you have.
4. Give more.
5. Expect less from people but more from yourself.

You have two choices... smile and close this page, or pass this along to someone else to share the lesson .
